Dear Friends,

The Northern Youth Recreation Association (NYRA) has been providing youth football and cheerleading opportunities in the Northern York area for over 20 years. We are a non-profit organization that teaches the fundamentals of both sports to children between the ages of 6 and 14. Beyond our practices, we stress sportsmanship, education, physical health, and community involvement to everyone of our participants.

As a result of last year's generous donations, two of our teams advanced to the CFA National Conference Super Bowl. We are very proud to say that our Peewee team (age 8-9) is the 2009 Super Bowl Champions! The Polar Bear Pony team (age 10-11) did not go unnoticed as a Super Bowl runner up. We are all very proud of this group of youth that has represented the NYRA and Dillsburg area this past year. This is the first Super Bowl winners the NYRA has had. Way to go Bears!

In an effort to continue to provide opportunities like these for children in the Northern York area, we are asking you to partner with us again this year by contributing something or providing a monetary donation. This partnering not only helps us, but provides opportunities for you as a business as well. It will increase your visibility to the community and the surrounding areas.

In addition to these achievements and your donations, we were able to purchase much needed practice and field equipment. Even with the success of the 2009 season, there still remain long term issues we need to overcome. Finding a perminate practice/game facility and storage area for our equipment is one of our goals for 2010.

If you are interested in becoming one of our partners in 2010, please fill out the second page of this letter, attach a check made payable to the NYRA, and mail it to the address located at the top of this letter. If you are interested in contributing additional items, please contact our Vice President of Football, Mark Geiser, or Vice President of Cheerleading, Dawn McKay, at the contact information above. Please remember that all donations are tax deductible, so retain a copy of your check as your receipt.

On behalf of the 200 youth involved with our organization, let me thank you for your generous donation. I am hoping to see your business advertisement in our 2010 NYRA Program.

Thank you,

Stacy Jordan  
2009 NYRA President
